

Ouantec Accessible Disabled Persons Toilet Alarm Kit

Part No. QT951

Overview

- A cost-effective expansion kit that adds true BS8300 compliant accessible toilet alarm functionality to a Quantec or Quantec-Pro Addressable Call System.
- Includes a QT607 ceiling pull unit, a QT605S reset point c/w confidence sounder, a Quantec overdoor light c/w sounder and an NC949 Accessible Toilet Sticker.
- Allows people in distress to call for help quickly and easily.
- Call acknowledgement function provides audible & visual feedback inside the WC that help is on the way (see Operation section below).
- Staff can 'Accept' alarm calls at a Quantec display.
- Multiple kits can be used on one Quantec system.
- Includes a free MRSA resistant anti-bacterial pull cord pack (for a limited period only).
- Backwards compatible.
- Must be used in conjunction with at least one Quantec Controller.

Technical Specifications

Power derived from main QT601-2 Quantec Controller (not supplied). Mains supply

Internal power supply N/A. Total output current limited to N/A.

Quiescent current Typically 6mA.

Zone current N/A.

An optional standby battery supply (2 x 12V 7Ah VRLA) can be connected at the main QT601-2 Quantec Max battery size and type

Controller, not supplied.

Alarm current Less than 30mA (all QT951 devices).

N/A. However optional QT612 Relay Output Devices can be connected to the Quantec network/wiring. Auxiliary relays

QT607 has a red Reassurance LED; QT605S has a red/green Reassurance LED; QT606S has twin red/green Indicators

QT607 Ceiling pull activated by two pull cord bangles. QT605S has a Reset button. Call "Accept" function Controls

can be carried out at a Quantec Display (not supplied).

Expansion connections N/A. However additional call and indicating devices can be connected to the Quantec network/wiring.

Onboard Sounder Yes (on QT605S and QT606S).

Onboard Infrared Receiver

87 W x 87 H x 68 D (QT606S); 87 W x 87 H x 24 D (QT605S). Ceiling pull measures 93mm diameter x 27 D. Product dimensions (mm)

 $143\ W\ x\ 96\ H\ x\ 102\ D\ mm$ (size of QT951 kit box containing all items). Packaging dimensions (mm)

Construction & finish

IP41 (QT606S); IP40 (QT605S); IP21 (QT607). IP Rating

Weight 0.30kg.

Operating conditions/temperature -5° C to $+40^{\circ}$ C. Max relative humidity: 95%.

The QT951 is an expansion kit that must be used in conjunction with at least one QT601-2 or QP901 Notes

Quantec Controller.
