

## FN-DEB

### Weatherproof Luminaire Enclosure and Wall Bracket

#### Features

- ▶ Comprises weatherproof domed enclosure and wall bracket
- ▶ Designed for use with the N68-O-3 open space luminaire
- ▶ Robust design
- ▶ IP Rating of IP66
- ▶ Ideal for final exits, as prescribed in BS 5266-1
- ▶ Requires N68-O-3 luminaire and YBN-R/3(WHT) mounting base (both sold separately)
- ▶ C/w fixings and fixing template

#### Description

The FN-DEB is a wall mounted weatherproof enclosure, designed for use with the FIREscape Nepto N68-O-3 open space luminaire, to provide a robust fixing for final exit lighting. The unit comprises of two elements – an acrylic-domed enclosure housing and a wall mounted bracket.

These two elements are combined using a weatherproof gasket to provide the IP66 ingress protection rating.

NOTE: requires an N68-O-3 luminaire and a YBN-R/3(WHT) mounting base – both sold separately.
