DB-01

DC9000 / DI9000 Series standard point detector base

General

The DB-01 is a common mounting base for both GST addressable (DI) and conventional (DC) series detectors. It provides mechanical fixing and electrical connection for these devices. There are no electrical components in the base.

The DB-01 has 4 terminals

Details

- Common for all GST DC/DI series detectors
- Supports detectors locking to prevent unauthorised removal
- Easy to install with standard mounting options

DB-01

DC9000 / DI9000 Series standard point detector base

Technical specifications

General

Compatibility	GST DC-9000E & DI-9000E systems
Connectivity	Zone and remote indicator

Electrical

No. of cable cores	2 x zonal, 2 x remote LED
Terminals	4

Physical

Physical dimensions	100 x 14 mm (Ø x H)
Colour	White
Mounting type	Ceiling mount
Cable entries	1
Material (body)	ABS

Environmental

Vandal proof	No
Environment	Indoor

Regulatory

Compliancy	CE
Standards	EN54 (with relevant detector)

Compatible products

Category	Reference	Description
Detection device	DB-01	
Detection device	DC-9101E	
Detection device	DC-9102E	
Detection device	DC-9103E	
Detection device	DC-9504E	
Detection device	DI-9101E	
Detection device	DI-9102E	
Detection device	DI-9103E	
Notification device	C-9314P
